

## **BORDEN PARISH HALL REPORT JUNE 2024**

1. The hall AGM took place on the 4th June 2024, and the Committee and Chairman were re-elected;
2. The hall finances are in a good position as we have the highest number of lets for quite a few years;
3. The Committee is considering the next project taking into account the finances available. This will be necessary to keep the hall up to the standard to compete with any new facilities starting in the area;
4. The chairs in the Barrow Room have been replaced with modern equivalents. The chairs used in the main hall are being considered for replacement, but the cost is large, and will have to be balanced with the other projects.

John Hepburn  
Chairman Borden Parish Hall
