

BORDEN PARISH HALL REPORT FEBRUARY 2026

1. The radiator near the door in the Barrow room is now working. A contractor has been called in to check that the valve is working correctly.
2. The Hall redecoration is being planned, and quotes for the work are being obtained. Careful planning will be needed to avoid disrupting the lets. Consideration is being given to the timescales quoted for the completion of the work.
3. The floor refurbishment will have to be carefully timed, giving consideration to the period for decorating.
4. The Hall alarm system has been serviced and upgraded to 4G, as 2G is due to be switched off.

John Hepburn

Chairman Borden Parish Hall
