66. **CHAIR'S ANNOUNCEMENTS**

Public Participation:

The Chair would like to remind all parishioners that the Parish Council has a standing item on the agenda for public participation. This allows you to attend the meeting and present your comments on any item listed on the agenda for consideration when decisions are being made i.e planning applications, outdoor spaces etc. We encourage all parishioners who have concerns or input regarding agenda items to attend the meetings and share their views with the Council. Comments regarding items not on the agenda can be heard but the parish council is unable to make immediate decisions, where necessary items can be added to the following month's agenda for consideration.

If you are unable to attend the parish council meeting and would like them to consider an item of importance please email the clerk@bordenparishcouncil.gov.uk, at least 7 days before the next parish council meeting, which is held the 3rd Thursday of every month unless notified otherwise on their website.

By-Election:

A By-election Requires 10 registered elector signatories, at present, we have 2 Councillor vacancies, 1 of which is available for co-option. More than 10 people have called for a by-election. This is disappointing as no one has come to a Parish Council meeting or written to the Clerk to complain about the Parish Council's conduct regarding filling vacancies or put themselves forward for co-option. Candidates have previously been co-opted for all vacancies which arise in the period between statutory elections. A By-election at this time and under these circumstances serves no further democratic function, but if there is more than one nomination for the single vacancy available it will cost parishioners a substantial sum of money. This will be reflected in an additional rate rise from the precept.

Standing orders were suspended whilst technical issues were resolved 19:12 – 19:15
