Monthly Report September 2024

Cricket

The Sunday league side completed their season finishing 10th in the Kent Village Cricket League Division 2. They will remain in the same league next season. Thanks are attributed to the captain Dave Thomas for his efforts through a hard fought fixture list during this past summer.

The Saturday side won their last friendly match against Detling. Tim Harwood is to be applauded as captain for his efforts in trying to gather players to form a regular side able to compete in league competition. Those who did take to the field thoroughly enjoyed the match on each day.

At the conclusion of the cricket season a special thank you must go to Kevin Smith who maintains the cricket table and field. His stalwart efforts are to be commended enabling Borden to benefit from a magnificent playing area whilst also enhancing the visual landscape.
