Cricket

The 2024/25 cricket season is underway with the Sunday league side holding second place out of a league of twelve in the Kent Village Cricket League Division 2. Recent wins have shown that they are a side of promise for this season.

The Saturday side have begun their friendly matches and it is hoped that more players can be signed to establish a regular side. Anyone interested are encouraged to contact the cricket section via the below website.

Unfortunately this weekend's matches were cancelled due to the poor weather.
